

## Industry Support

The banking industry is evolving at a rapid pace and today's banking leaders must navigate myriad issues to efficiently manage risk to pursue their strategic objectives. This makes having experienced professionals who add value beyond the basic service approach even more important. While each institution is unique, we believe there are certain things you should expect from your accounting firm:

- Significant experience serving similar institutions
- Extensive banking industry knowledge
- In-depth understanding of regulatory requirements
- Timely and proactive communication
- Accessible team backed by a deep bench of national support

With more than 500 professionals serving over 1,000 financial institution clients nationwide, including community, regional, and U.S. top 10 banks, **FORVIS** is uniquely positioned to serve your needs.
